

Thornborough Parish Council

Internal Audit Report 2024-25

Sally King

*For and on behalf of
Auditing Solutions Ltd*

Background

Statute requires all town and parish councils to arrange for an independent internal audit examination of their accounting records and system of internal control and for the conclusions to be reported each year in the Annual Governance and Accountability Return (AGAR).

This report sets out the work undertaken in relation to the 2024-25 financial year, which was concluded at our office on 28th April 2025. We have again undertaken our review for the year remotely: we wish to thank the Clerk for assisting in the process, providing all necessary documentation in electronic format to facilitate completion of our review for the year and sign off the Internal Audit Certificate in the year's AGAR.

Internal Audit Approach

In undertaking our review for the year, we have again had regard to the materiality of transactions and their susceptibility to potential misrecording or misrepresentation in the year-end Statement of Accounts / AGAR. Our programme of cover, as applied to all clients, is designed to afford appropriate assurance that the Council's financial systems are robust and operate in a manner to ensure effective probity of transactions and to afford a reasonable probability of identifying any material errors or possible abuse of the Council's own and the national statutory regulatory framework. The programme is also designed to facilitate our completion of the 'Internal Audit Report' in the Council's AGAR, which requires independent assurance over several internal control objectives.

Overall Conclusion

We have concluded that, based on the programme of work undertaken during our audit this year, the Council maintains more than adequate and effective internal control arrangements. We are pleased to acknowledge the quality of records maintained by the Clerk and thank her for her assistance, which has ensured the smooth progress of our review process.

We have completed and signed the 'Annual Internal Audit Report' in the year's AGAR, having concluded that, in all significant respects, the control objectives set out in that report were being achieved throughout the financial year to a standard adequate to meet the needs of the Council.

Detailed Report

Maintenance of Accounting Records & Bank Reconciliations

The Council has again used a spreadsheet to record detail of transactions during the year, which we consider appropriate given their relatively low volume. Two bank accounts continue in use with NatWest Bank plc. The Council reports on a receipts & payments basis.

- Reviewed the 2024-25 opening balance detail with that in the certified 2023-24 Statement of Accounts and Annual Return.
- We are pleased to note that the cashbook is routinely reconciled to bank statements and have checked and agreed the closing reconciliation as of 31st March 2025 to the bank statements.
- Noted that bank reconciliations are completed monthly.
- Checked and tested detail in the spreadsheet cashbook against bank statements in respect of the Nat West Current and Business Reserve Accounts for the months of August 2024 & March 2025.

Conclusions

We are pleased to report that there are no issues in this area of our review process warranting formal comment or recommendation. We have verified the accurate disclosure of year-end balances in the AGAR.

Review of Corporate Governance

Our objective is to ensure that the Council has robust corporate governance documentation and processes in place, and that, as far as we may reasonably be expected to ascertain (as we do not attend Council or Committee meetings) all meetings are conducted in accordance with the adopted Standing Orders and no actions of a potentially unlawful nature have been or are being considered for implementation.

We are pleased to note that both Standing Orders (SOs) and Financial Regulations (FRs) were reviewed and readopted at the Annual Council meeting held on 15th May 2024 (minute refs. 8.1 & 8.2 respectively).

We have examined the Council's minutes for the year to ensure that no legal or financial issues exist or are developing that may have an adverse effect on the Council's financial stability either currently or in the foreseeable future and are pleased to record that no such matters were identified.

We have reviewed the Council's website and are pleased to acknowledge compliance with the disclosure requirements of the Transparency Code. We also note that the external auditor's report, issued since our last visit, had no matters regarding the Council's accounts and governance.

We thank the Chairman for completing our "Corporate Governance Questionnaire", which aims to afford us further assurance as to the soundness of the Council's overall governance arrangements.

Conclusions

We are pleased to report that no significant issues have been identified in this area of our review process warranting formal comment or recommendation.

Review of Expenditure

Our aim here is to ensure that: -

- Council resources are released in accordance with the Council's approved procedures and budgets;
- Payments are supported by appropriate documentation, either in the form of an original trade invoice or other appropriate form of document confirming the payment as due and/or an acknowledgement of receipt, where no other form of invoice is available;
- All discounts due on goods and services supplied are identified and appropriate action taken to secure the discount;
- The correct expense analysis have been applied to invoices when processed; and
- VAT has been appropriately identified and recorded in such a manner to allow for its periodic recovery.

We have considered the Council's arrangements for the review, approval and authorisation of the release of funds in the year, noting that each online payment is subject to appropriate authorisation, scrutiny and approval by members at the monthly Council meetings. All approved payments are recorded in the minutes.

To ensure compliance with the above criteria, we have examined a sample of payments processed in the financial year totalling £7,606. Our test sample provides a broad cross section of expenditure and traders' invoices with no issues arising.

Conclusions

We are pleased to report that there are no significant issues arising in this area of our review process warranting formal comment or recommendation.

Petty Cash Account

The Council does not operate a petty cash account: the clerk reclaiming any out-of-pocket expenses as and when they are incurred.

Assessment and Management of Risk

Our aim here is to ensure that the Council has put in place appropriate arrangements to identify all potential areas of risk of both a financial and health and safety nature, whilst also ensuring that appropriate arrangements exist to monitor and manage any risks identified to minimise the opportunity for their coming to fruition.

An appropriate Risk Register is in place, which was reviewed at the Annual Council meeting held on 15th May 2024 (minute ref. 9.4).

We further note that the Council's insurance cover has been provided by Clear Councils: we have examined the current year's policy schedule which was effective from 25th September 2024. Employer and Public Liability cover are both set at £10 million and Fidelity Guarantee cover has been set at £150k, which we consider adequate for the size of this Council.

Conclusions

We are pleased to report that no matters have arisen from this review area requiring formal comment or recommendation.

Review of Income

The Council has relatively limited sources of income, primarily the annual precept and recovered VAT, supplemented by allotment rentals, bank interest, sports field lettings to local clubs.

Conclusions

We are pleased to report that there are no significant issues arising in this area of our review process warranting formal comment or recommendation.

Review of Staff Salaries

In examining the Council's payroll function, our objective is to confirm that extant legislation is being appropriately observed as regards adherence to the Employee Rights Act 1998 and the requirements of HM Revenue and Customs (HMRC) legislation as regards the deduction and payment over of income tax and National Insurance Contributions (NIC).

Conclusions

We are pleased to report that no matters arise in this area of our review process warranting formal comment or recommendation.

Budgetary Control and Reserves

We aim in this area of our work to ensure that the Council has appropriate procedures in place to determine its future financial requirements leading to the adoption of an approved budget and formal determination of the amount of the precept to be submitted to the parent Council and that effective arrangements are in place to monitor budgetary performance throughout the financial year and that the Council has identified and retains appropriate reserve funds to meet future spending plans.

We note that members have again duly considered and agreed the budgetary and precept requirements for 2025-26, approving the latter at £34,500 at the Full Council meeting held on 15th January 2025 (minute refs. 7.1 & 7.22 respectively). This represents an increase of 12% for a Band D household.

We are again pleased to note that detailed lists of all receipts and payments continue to be provided to the monthly Council meetings with detail recorded in the minutes, together with the agreed presentation of periodic bank reconciliations.

Finally, we note that, as of 31st March 2025, total reserves stood at £27,417.

Conclusions

We are pleased to report that no matters have arisen from this review area requiring formal comment or recommendation.

Asset Registers

The Governance and Accountability Manual requires all councils to develop and maintain a register of assets identifying detail of all land, buildings, vehicles, furniture, and equipment owned by the Council.

We are pleased to note that the Clerk had prepared an asset register on an excel spreadsheet which has been updated in 2024-25.

Conclusion

We are pleased to report that no matters have arisen in this area of our review warranting formal comment or recommendation; we have ensured that the correct value of fixed assets has been recorded in the AGAR.

Investments and Loans

The Council has no loans repayable either to or by it, nor are any funds held in long-term investments.

Statement of Accounts and AGAR

The AGAR now forms the Council's statutory Accounts subject to external audit scrutiny and certification. We have reviewed and verified the accuracy of detail contained in the AGAR Section 2 by reference to the financial information set out in the spreadsheet cashbook and other third party documents.

Conclusions

We are pleased to report no issues have been identified in this areas of our review process warranting formal comment or recommendation and, on the basis of our review work, we have completed the Annual Internal Audit Report of the year's AGAR assigning positive assurances in each relevant area and would ask that we be provided with detail of the completed Sections 1 & 2 once they have been adopted by Council and been signed off by the Chairman and Clerk/RFO.
