

Thornborough and Thornton Fundraisers

Report for the Annual Parish Assembly

2025 was a busy year for the Fundraisers.

Events included:

- Safari supper, which was very well received, and culminated in everyone meeting in the village hall for desserts.
- The production of David Copperfield, was another performance made possible by all the hard work from Cath Sawyer and Ann Payne, staging it in the Church was a success, and so many people congratulated the cast.
- Open gardens in June, was blessed with lovely weather and lots of visitors, and thanks to all the villagers who helped in many ways.
- In August we had another musical event, a Lionel Ritchie tribute, despite the rain, it didn't stop people dancing!
- The BBQ for the Fun Run was manned by the Fund raisers.
- The Quiz in November is always a great evening and challenged our neurons!
- The Christmas tree, carols, and the mincee pies and mulled wine to lubricate the vocal cords was a lovely way to start Christmas.

In 2025 we have funded:

- The Pantomime trip for village children
- A community noticeboard for the Thornborough Parish Council to update us on current projects.
- The School educational art work now covering the playgrounds. Also an old telephone box for them to restore.
- A replacement Defibrillator for the Village.
- New lighting equipment / construction for David Copperfield production.

The fundraisers are not a big team, but we do welcome new ideas and new members, so please do consider joining in.

Gwynne Grayson (Chair)
