

Thornborough Methodist Chapel

Report for the 2026 Annual Parish Assembly

Chapel continues to support the local community where it can. We once again supported the Fun Run - runners appreciating the refreshments. Like previous years from the money made by donations was split with the Sports and Social Club.

In Lyrics and Lunch, we lost one of the guest members to death, and two volunteers they are all sadly missed this. Those that attend really appreciate the support and we will continue to fundraise so we can cover the costs. A special thanks to Nick who makes the soup.

The monthly Meet 'n' Eat has a small but steady number that attend.

Richard and Rev. Jacqueline will be missed as they both volunteered for the monthly events - Meet 'n' Eat and Lyrics and Lunch.

Our weekly outreach is the Wednesday Drop in numbers do fluctuate but there are regular attendees.

It seems a long time ago but since the Chapel has had the roof done it has allowed us to focus on getting the ceiling repainted which will go ahead in April.
