

Thornborough Village Hall Trust

After all the hard work of refurbishing the Village Hall we are continuing our maintenance programme which has so far seen; walls painted, new splash backs boards and kick boards added, floor buffed and future projects include reviewing the condition of the external doors and tackling the peeling paint in the kitchen.

If anyone local can recommend a good tiler or can help us make the right decision in the kitchen please get in touch with Steve Wilkins – 07785 372084.

The 59 Club continues to provide valuable revenue and is very well supported.

Hall rates of hire remain a very attractive £12 per hour for residents and these rates will be held for 2026. If you would like any more information about bookings or regular activities in the village hall have a look at our website <https://thornboroughvillagehall.com> or contact Nikki Standing our Hall Manager via the website or on +44 7872 1948565.

We have our AGM on Thursday June 11th to which everyone is most welcome.

Many thanks to everyone who supports the Village Hall and not forgetting the Parish Council.

Liz Julier
Secretary, Village Hall Committee
