

Bursary Programmes for Young People

A variety of different bursaries and grants for young people are available by applying via this website - <https://youngfuturesfund.org/funding/bursaries/> - please visit the site to find out more about the specific requirements for each bursary programme. Currently we have funding available for young entrepreneurs, people working in the hospitality sector, and those in higher education/vocational training. We would be delighted to advise you on how to access this support, please get in touch to find out more via youngfutures@heartofbucks.org or by calling 01296 330134.
