

Thornborough and Thornton Fundraisers

Highlights from the past year:

- We took on the challenge of raising monies to help refurbish the village Hall, in two years we raised almost £30,000, and coordinated the Village Hall Reopening in September 2024.
- The Children's Pantomime visit at Christmas was also partially funded by the Fundraisers.
- Most recently we had a grant application from Thornborough Parish Council to help fund the new Thornborough Community Information Noticeboard now situated by the pond.

A variety of events have been held, and further ones are planned, and it's thanks to a great team of fundraisers that we can continue to offer further assistance in village projects.
