Thornborough & Thornton Garden Society Show by Laura Bonner

Thornborough and Thornton Garden Society Show was so well supported this year.

Fruit & Vegetable exhibits were surprisingly good considering the dry weather this summer and the quality of exhibits overall was excellent.

A big Thank You to everyone who came to view the show during the afternoon and congratulations to all the Cup Winners!

Roll on next year!!

Reflection from the Rectory by Rev'd Jacqueline Dove

It has been a week since the Queen died and I found myself hugging our two dogs and telling them, "The Queen is dead." I am surprised by my sadness a week on from the breaking news. I wonder if it is because she was an emblem of goodness in a world which feels rather bleak at the moment. I also wonder if her death gives me permission to acknowledge and grieve the 'shocks to the system' we have all experienced over the past two years. Death is always such a shock despite it being very much a part of life. The world feels sadder without her presence with us.

As part of my Ordination, I swore allegiance to the Queen and was anointed with Chrism oil, the same oil used to anoint the Queen during her Coronation. The Queen took her calling and vows very seriously and she sets me a good example to emulate as I follow my calling and obey the vows I made. Anointing Kings and Queens and Priests goes back thousands of years with the oil representing God's Holy Spirit. Every person baptised (christened) in the Church of England is also anointed with chrism oil with a prayer that the Holy Spirit will help them daily to fulfil their baptism vows.

Clearly, being anointed by chrism oil does not automatically turn us into people that live by the values the Queen is known for. Plenty of Kings, Queens and Priests have done great harm. Plenty of Christians anointed with chrism oil are more inclined to hate their neighbour despite promising to follow Christ who told us to love our neighbour as we love ourselves. The Queen in her 1981 Christmas Broadcast said, "As human beings we generally know what is right and how we should act and speak. But we are also very aware of how difficult it is to have the courage of our convictions."

We are told that the Queen prayed every day, kneeling by her bed when she still could. Her faith was something she nurtured so that it was able to give her the courage of her convictions. The result is that the Queen is loved and admired all around the world because of the values she represents. I will let the Queen have the last word:

"I know just how much I rely on my own faith to guide me through the good times and the bad. Each day is a new beginning I draw strength from the message of hope in the Christian gospel." *Christmas Broadcast 2002*

Thornborough Methodist Chapel

Did you know: Methodism

The Methodist Church is a Protestant Christian denomination which began primarily through the work of John Wesley (1703–1791), an Anglican priest who led a revival in Britain. They became known as 'Methodists' because of the methodical way in which they carried out their Christian faith. It was called a Nonconformist church because it did not conform to the rules of the established Church of England. Methodist services can be structured with liturgy taken from a service book but commonly include free forms of worship. It is the fourth-largest Christian group in Britain. Around 202,000 people attend a Methodist church service each week, while about 500,000 take part in some other form of Methodist activity, such as youth work and community events organised by local churches. See below some of these events which we in Thornborough organise.

Drop-In: Held weekly on Wednesday mornings between 10.30am – 12.30pm where anyone can come along for a chat, meet friends and have free refreshments. On the second Wednesday of the month we hold a Bring & Buy sale.

Messy Church: The Chapel, along with the Church, holds a Messy Church for children from babies to 11year olds and their parents on the 2nd Sunday of the month in the chapel room. Please contact Katy Morris on 07904 958033.

Meet & Eat: For £5, this monthly event consists of a two-course lunch followed by coffee, mints and a quiz. To book a place, please contact Katy Morris.

Lyrics and Lunch: This is a time for carers to come with their loved ones, who have dementia, to share singing well-known popular songs and some kind of meal/snack and a short thought for the day. Please contact Katy Morris.

Chapel Meeting Room: To hire, please call Louise Springall on 02180 816887.

WI Report July – September 2022

Teresa Connolly, President

Our July meeting was an insight into the world of silk painting in the creation of church and secular vestments.

Yvonne Bell gave a most engaging, educational, and entertaining talk about her amazing work including “things that went wrong...”.

In August we held our annual garden meeting at Preston Bissett Nurseries. After coffee and cake was served in the new Tipi we were entertained by Jacky and Peter who co-presented “Autumn colours in your garden”. All who attended had a thoroughly enjoyable time.

Back in the village hall for the September meeting when Andy Lane regaled us with stories of the many trees in Milton Keynes. Despite the complete technological breakdown (oops, mea culpa!) we learnt about the planning and management of green space in Milton Keynes. A city that likes to be different.

If that’s of interest to you, he is repeating his talk for the Swan Sisters Virtual WI on Tuesday 18th October at 7.30pm via Zoom. The link can be sent you by contacting: swansistersvwi@gmail.com

This month we also welcomed ten new members to our WI. There’s still space for more, so why not come along to one of our meetings and see for yourself?

As this article is being written we are all preparing to say farewell to HM Queen Elizabeth II. As you may, or may not, know she was the President of Sandringham WI in Norfolk. HM Queen had supported the WI in many ways during her reign including attending the WI’s Annual Meeting including the WI’s 100th birthday celebrations held in 2015 at the Albert Hall, London.

I will be laying flowers, on behalf of Thornborough and Thornton WI, outside the church on the evening before her funeral.

May HM Queen rest in peace and her memory be a blessing.

Thornborough and Thornton WI meet on the first Wednesday of every month at 7.30pm in the Village Hall. Visitors are always welcome. Most meetings are also broadcast via Zoom for WI members who cannot attend in person.

Speakers for the next few months at our meetings are:

5th October Animal Computer Interaction (ACI) Clara Mancini.

A look behind the scenes of Medical Detection Dogs and other organisations using ACI.

2nd November Our Annual General Meeting

7th December Some festive entertainment...

Thornborough Pre-School update by Donna White and the Thornborough Pre-School Team

We are excited to be back after our summer holiday!

The team have been making a few changes within pre-school, encouraging a more engaging environment to assist with child involvement and wellbeing. The children have been excited to see the new resources and choosing sheds.

We have been looking at 'All about me' this half term; the children have been bringing in summer treasure boxes and enjoying talking about the items inside which they had collected over their holiday, to their friends and teachers. Looking at our own features and families, the children have created great drawings and hand paintings, talking about how many people are in their homes (including pets).

Now, time we are looking forward to our Autumn term with lots of celebrations coming up.

Thornborough Sports & Social Club

Traditional Guy Fawkes Night on Saturday November 5th 2022

New Venue – less than 5 minutes walk from the Green!!

The bonfire and firework display gate opens at 7:00 pm, but all are invited to join the traditional village Torchlit Procession that starts at 6:30 pm from the Two Brewers, High Street, Thornborough. The procession will proceed to the venue off the High Street – **less than a 5-minute walk.**

There is no parking in the immediate vicinity of the venue, so please park between the pub and the village hall.

Tickets on sale at the Two Brewers from 6pm – this avoids queuing at the venue gate.

The gate opens at 7:00 pm. Entry for the event is £6 for adults, £4 for Senior Citizens and children over 5 years (under 5's free). The fire will be lit at 7:15pm and the Aerial Firework display is from 7:30 to 7:45 pm.

There will be a marquee on the field. Hot food, soft drinks, mulled wine and more will be on sale in the marquee.

Thornborough Infant School Update

by Mrs. Olivia Quirke

New term, new academic year, new families, new staff and most importantly... new children. A very warm welcome to all.

The start of the year is always busy and very exciting, but like the nation, we were very saddened with the passing of Queen Elizabeth. The children have paid their respects with a special assembly with Rev. Dove and we have discussed in school assemblies too. Our children have shown understanding and such respect at a time of sadness. We are very proud of them.

Once again, our Balanceability has started, our children learning cycling skills and safety. I am sure you will hear them enjoying themselves on a Thursday morning!

This term there is a focus on our village and our school. The children are learning about the history of our school, what it was like to attend many years ago and how the building has changed. We would be delighted to hear from any villagers or members of their family who attended Thornborough – please do get in touch.

Our next community café is on Wednesday 5th October with more dates to be confirmed.

YOUR VILLAGE HALL
NEEDS
YOU

Many thanks to everyone who came along to the meeting last night (20th Sept); great turn out, lots of enthusiasm and offers to help – **THANK YOU**.

The Village Hall really needs help and the **Fundraising Group has committed to raise c£50,000** over the next two years to support in three key areas; **Kitchen, Toilets & Heating** – as well as supporting a number of significant and important ongoing projects (eg **damp proofing & insulation**) and the investigation of all & any **available grants** to support the works.

It is not too late to offer your help; the Fundraising Group would welcome more members. Or maybe you can offer expertise in other areas; knowledge of facilities management, legal or financial knowledge, project management or organisational skills, experience of grant applications, decorating/design skills, building or surveyor experience or any other skills that you think would be valuable.

Interested Parties please contact Ann Payne - allan.fred.payne@sky.com

The Fundraising Group & the Village Hall Committee will be circulating more information shortly.

An exciting two years!

Thornborough & Thornton Fundraisers

By the time you read this, the open meeting about **the future of the village hall** will have taken place and I hope we can report a significant increase in our number of committee members. To be able to raise the monies required to refurbish/redesign our hall we need a strong and vibrant committee. **If you were not able to make the meeting but would like to join our merry band, please do let me know as soon as possible.**

We do have **a few fundraising events on the horizon**, and we hope that we can rely on your support.

Firstly, **on Saturday 12th November we will be holding a quiz evening in the village hall starting at 7.30pm.** The ticket price of £10 per person will also include a delicious light supper. We are looking for teams of six, so please gather your friends and neighbours and let me know as soon as possible if you would like to reserve a table, using the email below. This is a very popular event so don't leave it too late.

The annual Christmas paper quiz will be available in early November, and I will send a message on the enews once it has arrived back from the printers, and you can then order your copy. This year we are back to television as a theme. Please consider taking in a few copies to your workplace or to pop in Christmas cards for friends and family. We fell just short of raising £1,000 last year and it would be brilliant if we could break through the barrier this year.

On Saturday 13th May 2023 we hope to hold a Promises Auction; this will be the big fundraiser for the year, and we hope to be able to raise a substantial amount of money for our village hall. Please let me know if you have a promise you can make, be it large or small. At our last Promises Auction we had everything from babysitting to holiday homes, cake making to grumpy old men and a bottle of whiskey nights.

None of the above will be possible without an injection of new blood onto our committee so please do consider joining us.

Ann Payne - allan.fred.payne@sky.com

Stop Press: We hope to be holding a Revue/Cabaret night in the village hall in Jan/Feb, if you have a particular talent, music, dancing, acting magic etc or would like to help behind the scenes please let us know.

Thornborough Parish Council (TPC) Report

Thornborough Parish Council (TPC) Report

TPC hasn't met since the previous edition of Thornborough News. There is no TPC meeting in August because of the holiday period. The September meeting has been rearranged and will now be on **Tuesday 27 September at 7pm** in Thornborough Village Hall because of the period of national mourning. The minutes of meetings (published on the TPC noticeboard and website) provide the formal record of the business, whereas reports for the newsletter focus on the meeting topics that are likely to be of greatest interest or relevance to residents. This report includes a couple of reminders which I hope residents will find helpful.

Not everything stops for a holiday period

As Clerk I'm always surprised how much time all the paddling under the surface takes and kid myself that a month without a meeting means I will be able to do all the things there never seems time to do. August this year was no exception – the end of the month was upon us at frightening speed. One of the main focuses of recent activity has been assessing the trees on parish land and obtaining quotes so a programme of work can be put in place.

And now for a challenging autumn 😊

In addition to mists and mellow fruitfulness, the autumn is when local councils build their budgets and set their precepts for the next financial year. Never an easy task but all the more challenging this year because of what is commonly referred to as the cost of living crisis. Please be reassured by TPC's commitment to doing its absolute best for the community despite the challenges.

Not a reminder but useful to know

The summer period has seen some canine Houdini's in the village who either returned home or were reunited with their owners by concerned residents. The risks associated with dogs running free are well known and don't need to be reiterated here. Suffice to say should the need arise the dog warden service can be phoned on 03444 828 320 (7 days a week, 24 hours a day) – see also:

<https://www.buckinghamshire.gov.uk/environment/environmental-health-and-nuisance/dog-control/>.

Dangerous dogs or potentially dangerous dogs can be reported to Thames Valley Police online under their antisocial behaviour form:

<https://www.thamesvalley.police.uk/ro/report/asb/asb-v3/report-antisocial-behaviour/>

Reminders

Please report all road, roadside and pavement related problems.

Running The London Marathon – Rachel Avery

Many of you will have no doubt seen me out and about over the last few months pounding the pavements as I once again take on the challenge of running The London Marathon on Sunday October 2nd.

Early mornings, rain downpours and more recently the dark, I have ventured out in all conditions covering the weekly miles on my long and intense training plan. It's been tough at times, but I have kept in my sights the great cause I am running for, Alzheimer's Research UK. This charity undertakes world class studies aimed at building understanding of the diseases that cause dementia, improving the ability to diagnose these diseases, finding ways to reduce risk and developing life-changing new treatments.

If you are able to donate to my fundraising efforts it would be very much appreciated.

Many thanks

Thornborough Cricket Club Update

Well that's another season done and dusted and what a fantastic summer it was; not one game was postponed due to bad weather - must be a first.

The club also fulfilled every league fixture for both the first team and A team through the season although at times it was touch and go on certain weekends but it was good everybody who did make themselves available to get those games played.

The actual results through the season were mixed again as a lot of different events, weddings, stag weekends, and holidays generally took place, many of which were carried over from the previous 2 seasons when gatherings and travel were restricted; this affected the ability to field regular consistent sides.

The first team won 5 of the 18 games they played and finished 9th out of 10 so may be relegated from the Premiership but we will see.

The A team won 3 of their 14 games they played and finished 7th out of 8.

The disappointing feature of the season was that the Memorial Game was not competed for due to availabilities for both sides; it must be competed for in the 2023 season and it has been suggested that is played either as a season opener or very early in the season - this must not lapse.

A big thank you from the club and I know from visiting teams regarding the standard of the square and wicket which stood up extremely well in the dry and arid conditions. This is down to a huge amount of time and effort put into keeping it fit to play by Andy Checkett - a big thank you Andy.

A huge thanks to Chris Cox also for organising and running of the Allstars and Dynamos Junior sections and the helpers who assisted in running the evenings; also Chris being chief fundraiser with the sponsored Handbook which all helped towards club funds.

The 100-1 bonus ball draw is continuing to take place with the recent winners being ball number 89 owned by Graham Buckland winning the July draw and ball number 63 owned by Joe Osborn winning the August draw, each winner winning £100 - well done to both.

The next major event on the horizon will be **the presentation / dinner event on Saturday October 15th at Buckingham Golf Club**; always a good event and this year Paul Goodger back to host the disco.

If anybody would like some information on this event please contact John Osborn (j.osborn019@outlook.com) for menus and details.

The club's AGM will be held in November a date yet to be fixed but will probably be held before the next edition of Thornborough News - this will be advertised, and if you want to get involved with the club come along and have a look.

Until next time.

Yours in sport.

Thornborough & Coombs Woodlands Report by Sarah Powell, Board Member - Thornborough and Coombs Woodlands Enterprise Trust

With summer coming to an end and as we head towards Autumn, the apple trees in the woods are providing plenty of fruit at the moment. Why not take a walk round our lovely woodlands and pick a few apples before they spoil? There are lots of different varieties to try.

The upkeep of all the woods continues and work parties meet the first Saturday of the month. We are always looking for more helpers so please come along if you can spare a couple of hours once a month. The woodlands are maintained by a group of volunteers and by charitable donations. If you enjoy the woodlands please support us by visiting our website www.thornboroughwoods.org.uk and donating.
